Thameside Primary School

- OUR VISION IS TO NURTURE LIFE-LONG LEARNERS WHO ARE ASPIRATIONAL, COURAGEOUS, CREATIVE AND KIND.
- **Throughout their time at Thameside, we will ensure every child has excellent opportunities with memorable and meaningful experiences which will inspire and challenge them at school while also preparing them for their future. Everything we do is underpinned by our values of respect, responsibility, resilience, resourcefulness and reflectiveness.**

Meet the Thameside Team!

Welcome to Nursery!

Our school motto

Every Child Every Chance Every Day

This presentation aims to provide an introduction to Nursery at Thameside and includes initial information which we hope you will find useful. Should you have any further questions, staff will be happy to discuss these with you.

The information in this presentation has also been emailed in your Welcome Pack.

Starting in September

You have hopefully all enjoyed your stay and play sessions.

- Home visits for new starters to Thameside (Mrs Hendry will arrange with you).
- First day - Wednesday 4th September.

It is very important that we have all relevant information about your child by their first day at school, including any allergies/medical information as well as contact information should we need to get hold of you. Please can you fill in the forms in your enrolment pack and return them to school as soon as possible.

My child's learning

In Nursery, play and practical learning are key approaches to teaching and learning

- ❖ These include a balance of 'child initiated' activities, which stem from the children's own interests and choices, and 'adult-led' activities which are planned by the adults to enhance and develop children's learning by focusing on their individual learning needs.
- ❖ We use the indoor and outdoor environments to achieve this. We incorporate opportunities to visit other places and invite 'experts' into our unit to develop the children's curiosity about the world around them

How will you know what your child is learning?

An overview of the term's planning is put on Tapestry at the beginning of each term. Weekly overviews are also shared on Tapestry.

We use the EYFS and development matters to support the children's learning. Also with phrase 1 phonics' to prepare the children when they start in reception.

'Tapestry' observations highlight children's learning.

An end of year report is sent out during the final term, which reports on your child's achievement on the Early Years Foundation Stage profile.

At any time you wish to ask about how your child is getting on, please talk to the nursery team. If we have any worries, concerns or highlights, we may ask to speak to you

ONLINE LEARNING

JOURNAL

Learning Journeys

This is an on-line secure learning journal. It is used to capture moments in your child's learning and is a fantastic form of communication between home and school.

- ❖ Many parents enjoy the fact that it can be a starting point for those 'What have you done at school today?' questions, which can often result in a response of 'nothing' or 'I can't remember'!
- ❖ As registered members, parents can also upload photographs of activities children may have done at home.
- ❖ Alongside school emails, it is also the main way for us to send the Nursery class reminders and parent information (via memos)

Little Wandle Phonics

Our Phonics Scheme used from Nursery – KS2

We will hold a parent information session in September

There is lots of support online and we will be sharing videos on Tapestry led by our staff

Snack and Lunches

The school aims to promote healthy eating, and good oral hygiene, by providing the children with either a piece of fruit or some vegetables along with milk or fresh water for their morning snack. We all sit together to encourage good manners and enjoy some conversation.

School dinners cost £2.50 a day for each child in nursery. To see a sample of our dinner menu, please have a look on our school website under 'Parents Information: Menus'.

There is the option to decide daily about whether or not your child has a free school meal or brings in a packed lunch from home.

If your child brings in a packed lunch from home we encourage it to be as healthy as possible. Food has a huge impact on children's concentration and energy levels so a balanced lunchbox is key! Items such as bread, rice and pasta keep them fuller for longer. Fresh pieces of fruit or carrot/cucumber batons count towards their 5 a day too!

Preparing for Nursery

Here are some suggestions that can help you to prepare your child for school and nursery.

- Read lots of stories! Talk to them about what is happening in the story, ask them to tell you what they think is going to happen in the end, ask them their favourite part.
- Encourage their independence by getting them to put on shoes, coats, use a knife and fork by themselves.
- Get them to practise recognising their name.
- Get into a good sleep routine as children get very tired when they start nursery, so going to bed at an appropriate time the day before nursery is very important.
- Talk – ask your child about what they are looking forward to about school, talk about things you have done and ask them what they would like to do tomorrow. This helps children to reflect on events and make short term plans.
- Each child will need: -A named water bottle, A spare change of clothes, a sun hat, sun cream, wellies and if needed wipes and nappies.

Welcome to Nursery!

Our school motto

Every Child Every Chance Every Day

We hope you are as excited as us about starting at Thameside. We are here to make sure that the transition into Nursery goes as smoothly as possible, so if you have any questions please don't hesitate to ask.

We look forward to seeing you in September; we can't wait for you to join our Thameside family!
